

# Police Health

YOUR HEALTH FUND

## MISSION

**Police Health is committed to providing exclusive, quality, “value for money” health insurance for the long-term security and benefit of contributors.**

## VISION

**To build on our heritage to be the preferred health insurer of the national policing community.**

## ORGANISATIONAL VALUES

**Police Health believes it is important for us to be:**

- **A provider of “value for money” services and products**
- **Sound financial and commercial managers**
- **Accessible and responsive to contributor needs**
- **Friendly, caring, compassionate and personal**
- **Open to change, appropriate new technology and continuous learning**
- **Transparent and open in communication**
- **An employer who values its employees and contributes to their personal and professional development**
- **Fair, equitable and confident in our dealings**
- **Leaders influencing private health insurance policy**
- **A continuing part of the SAPOL community, in recognition of our heritage.**
